- ***Wherever you are in the world,***
- ***Whatever your specialty,***
- ***Whatever your level,***

the 26th clinical case of the OESO-SEMPIRE Platform will afford you the opportunity to participate in a global multidisciplinary staff meeting dedicated to one challenging topic of esophagology. It will involve specialists in various disciplines, and participants from any country can connect to the discussions.

Looking forward to seeing you soon!

Robert Giuli, MD, FACS
Professor of Surgery
Founder & Deputy Executive Director of OESO

Date and details of the April clinical case discussion will be announced on the OESO website and in upcoming Newsletters.
